ABOUT US

Thirty years of brass, made by hand in Aligarh

Sameer Exports was started in 1994 by Mr. Sanjeev Agarwal under the direction of Er. S.P. Agarwal. Today it is a leading manufacturer and exporter of brass, aluminium and forged wrought iron ironmongery, wooden products and art ware from Aligarh, India's traditional centre of brass and lock making.

We use traditional sand casting alongside modern forging machines. Every product is partly mechanised and partly handcrafted, then finished, polished, lacquered and packed to international standards and to each buyer's requirements.

As an ISO 9001 certified company we run strict quality control at every stage, and a team of designers keeps the range evolving. Our clients are spread across the UK, US, Mexico, Germany, Canada and Australia.
